bluesign®

Get involved in environmentally friendly and safe textile production – and become a part of a sustainable movement.

bluesign technologies is a globally operating company with its headquarters in St.Gallen, Switzerland. We offer solutions for the textile industry as well as related industries to produce safe and environmental friendly products. Our customers include major brands, chemical suppliers, and manufacturers. Our employees include motivated professionals, focused specialists – and soon, maybe even you too.

To strengthen the teams in either Shanghai, Hong Kong or Taipei, we are looking for an

Auditor – manufacturer textile/accessory (f/m)

job description

Our auditors conduct company assessments with regards to environmental, occupational health and product stewardship. The auditor plans, prepares and carries out audits at textile/accessory manufacturers. The findings are documented in comprehensive and consultative audit reports which evaluate the compliance of the audited company with the requirements of the bluesign® CRITERIA. Agreed corrective measures are followed-up and the progress is documented. This job gives an opportunity to contribute to a safer and more sustainable textile supply chain.

major responsibilities

- Perform audit on site
- Prepare extensive evaluations and audit reports in English
- Follow-up of agreed improvements and corrective measures, as well as documentation of the progress
- Provide support for chemical product assessment

ideal profile

- Degree in Textile Engineering or related field
- At least 3-5 years of professional experience in relevant industries
- Profound knowledge in the field of environment, occupational health and consumer safety
- Profound knowledge of textile/accessory manufacturing processes
- Good knowledge of the textile supply chain
- Auditing experience (ISO 9001, ISO 14001, OSHAS 18001)
- Willingness to travel

personal skills

- Conscientious and well organized
- Open minded
- Good interpersonal and intercultural skills
- Team worker with proven ability to work independently
- Quick grasp and analytical mindset
- Ability to train and transfer knowledge
- Good command of written and verbal communication in English and Mandarin

We offer you a varied and responsible role with lots of freedom in an international and dynamic environment. Great benefits, a modern workplace, and flexible working hours are a matter of course for us in a growing company.

Interested? Then please send us your application documents with a photo, your earliest possible start date, and your salary expectations via email to Ms. Irma Del Vecchio, HR, recruitment@bluesign.com – we look forward to getting to know you.
